If you could, I would appreciate it if you could send the letter and the fee to my docket clerk Danielle Jones in the TC3600 docket area here in crystal park 5, 2nd floor. Hopefully, we'll be able to sort everything out over here.

Ms. Parish,

I'm not sure exactly why this applicant sent you specifically the fee. This particular customer is a pro se applicant, as you are probably already aware, and also a foreign applicant which is making communication between us extremely difficult. He's trying to establish an account and also a continuation and I think is pretty confused about what is going on. I'm going to try and talk to my supervisor about this matter tomorrow and hopefully I'll be able to give you an answer then as to what to do with the check and document.

Thanks,

Jason

Mr. Morrow,

I hope you will be able to help me. I have received a check in the amount of \$465.00 for an extension fee. I don't know why the customer sent it to me. They mentioned wanting to open an account, but have not included enough money to establish one.

Please let me know what I should do with this check and document.

Thanks,

KP
